

JOB DESCRIPTION

Job title: Creditors Clerk (Accounts Payable)
Responsible to: Finance and Accounts Supervisor
Department: Finance
Location of work: Kempton Park, JHB

Purpose of Role

The Creditors Clerk (Accounts Payable) is responsible for managing the full accounts payable function across many entities. This includes processing supplier invoices, reconciling accounts, ensuring timely and accurate payments, and maintaining strong supplier relationships while supporting overall financial control and cash flow management.

Main Responsibilities

2.1 Accounts Payable Management

- Capture and process supplier invoices accurately and timeously
- Match invoices to purchase orders and delivery notes (3-way matching)
- Maintain and update the creditors ledger across multiple entities
- Ensure proper coding of expenses to correct cost centres and accounts
- Complete vendor on-boarding and due diligence
- Prepare and post month-end journals (accruals, currency conversion journals)
- Prepare reconciliation on operating expenses.

2.2 Supplier Reconciliations

- Capture and process supplier invoices accurately and timeously
- Match invoices to purchase orders and delivery notes (3-way matching)
- Maintain and update the creditors ledger across multiple entities
- Ensure proper coding of expenses to correct cost centres and accounts
- Complete vendor on-boarding and due diligence
- Prepare and post month-end journals (accruals, currency conversion journals)
- Prepare reconciliation on operating expenses.

2.2 Supplier Reconciliations

- Perform monthly supplier reconciliations
- Investigate and resolve discrepancies, queries, and unmatched transactions
- Ensure all supplier statements are received and reconciled before payment

2.3 Payment Processing

- Prepare payment schedules in line with agreed payment terms
- Ensure payments are processed accurately and on time
- Maintain proper supporting documentation for all payments

2.4 Compliance & Controls

- Ensure adherence to internal procurement and payment policies
- Verify supplier banking details and maintain updated records
- Ensure compliance with tax requirements (VAT, invoices compliance, etc.)
- Assist with audit preparation and provide required documentation

2.5 Supplier Relationship Management

- Liaise with suppliers regarding payments, queries, and account issues
- Build and maintain professional relationships with key vendors
- Ensure timely communication on payment statuses
